Re: Reinstatement of Epic's Developer Program Account

Dear Gary,

On March 21, 2022, Tim Sweeney e-mailed Phil Schiller asking that Epic's developer program account be reinstated so that Epic can distribute an iOS version of *Fortnite* that would allow Epic Direct Pay. As I informed you by letter dated September 21, 2021, "Apple will not consider any further requests for reinstatement until the district court's judgment becomes final and nonappealable."

Sincerely,

Mark A. Perry
